Peacemakers is a registered C.B.O. with a site (Kisimani Centre) near Kathageri, just off the main highway from Runyenjes to Chuka. The main mission for Peacemakers is to encourage our oneness in the Body of Christ, His Church, by promoting inter-denominational prayer, worship and fellowship; as Peacemakers, the children of God. By having opportunities to be together as Christians in unity, we are able to work more effectively to do the will of God and thus be able to spill God's love over to meet needs; both spiritual and practical.

Peacemakers is now thanking God for its **30 years in Kenya**. We have sought to alleviate the effects of poverty and other social challenges like addictions, disabilities, gender strife and lack of knowledge and training. In the past it has initiated projects and micro-enterprises, trained hundreds in Bible knowledge, Primary Healthcare, Emergency Aid, HIV, AIDs, Drugs Awareness and Physical Education for Healthy Lifestyles. It has provided mosquito nets, livestock and resources to many. We have been so blessed by community participation, especially in collections of food for the needy and contributions towards urgent medical needs for some children. We have also had support from the French and Irish Embassies. Our site holds a Prayer House, a larger Makuti meeting space, Café, Computer Training Room, a Resource Centre with accommodation and a garden. Our Centre can be booked for all sorts of activities and events. All spaces can be used for people to meet together; even Video Conferencing is available.

- Why not plan to hold an event for your church group to have a retreat or motivational day for school students?
- Why not meet with your community group in a peaceful place and order some refreshments?
- Are you planning a wedding, graduation or birthday party? Come to us!
- Are you an NGO or Politician needing a quiet place to train or motivate?
- We can cater for all needs. We have a great Catering Team called Pamoja. The catering Chairperson's contact is **0722160588** (Josephine Mbeere). Call her for a quotation for your event. The team can also do Outside Catering.
- We can also host series of trainings and conferences.

We have all passed through challenging seasons recently, but we thank God for His faithfulness, protection and guidance. God really wants to see His Church know His Truth and arising to stand and pray for each other and our nation. We need to study His Word and listen to His voice. Recent prophesies for us have emphasized that we will see new connections like building blocks moving into place as He is our Provider for resources and finance. As we are currently learning self-sustainability, we must depend on Him for all our needs and share what we have to bless others. We were also encouraged to fly a banner and blow a trumpet to declare that we already have **VICTORY** in God alone.

We believe that 2021 is God's timing to begin to fulfil His promises to us of bringing down walls of separation and for all who own the name of Jesus to gather in the Spirit of humbleness and forgiveness in preparing the way for God to build His church in us.

Kenya is a Jewel in God's Crown.

Today's technology is making it possible for the Church of Jesus Christ to begin to rise up and become 'global' for the Body of Christ to function as God intended. Praising and worshipping Him together in Unity.

We are open to ideas on how the Centre can be in partnership with other Christian organisations as a base in Kenya; whether to simply visit and hold outreach/seminars, etc. or longer-term use. We believe the Lord has a big plan for using our Centre to bring knowledge and spiritual refreshment.

If God is stirring you to be part of this move in Kenya, then please get in touch with us.
